CTK Vision for Learning

**CTK Learners:**
- Spread happiness
- Care for their mates
- Build Security
- Are lifelong learners
- Are honest hard workers
- Are positive
- Value others
- Are good team players
- Love like Jesus did

**Learners learn best when learning is relevant**

**Learners learn best when they experience success**

**Learners learn best when they feel included, safe and belong in a socially just environment**

**Learners learn at their own pace and in their own way. They are unique**

**Learning is:**
- Responsive to needs
- Reflective of previous experiences
- active

**Learning:**
- Values the difference in learners
- Respects all learners
- Incorporates inclusive practices

**Learning is:**
- developmental and age appropriate
- multimodal
- a creative process
- self directed
- a personal experience

**As a learning community we operate by the following principles:**
- Catholic Christian tradition
- Shared ownership/collaboration
- Professionalism e.g. research based, high quality teaching and learning
- Reflective practice
- Ongoing Professional Development
- Rights are balanced with responsibilities
- Action for social justice
